

Having a booth at your county fair provides you with a great opportunity to get the message of Minnesota Farmers Union out to those in our communities. We have exciting fair kits that will help you get the word out.

You can request the entire fair kit as a whole, or individual pieces that best suit your booth and county needs. **The fair kits and pieces are available to you at no charge.**

If your county cannot afford a booth on its own, consider sharing one with your local MFU Insurance agent.

Membership & Outreach staff may be available to help with ideas and staffing for the booth.

Please note that some county fairs require proof of insurance in order to rent a booth. If your fair board requires insurance, MFU can provide insurance at no additional cost to your county organization. Please contact the MFU state office at 651-639-1223.
